Any documents that I would have provided would have come from Joanna. Trish generally presented the documents and I and Mark would explain the results. So I am presuming that Joanna will be able to provide all the documents that were distributed.

Joanna, I hope what I have written is as you remember it. If not just call me up and let me know....

Hi Rich and Joanna, Trish and Rich R,

Sorry to bother you all with this again, but would you be able to send me all documents that we provided to the residents with these well numbers? I need them by next Tuesday if at all possible. You previously sent me docs provided to HW6, and I didn't realize it til yesterday that we also have subpoenas asking for documents/information provided to HW1 and 27.

Trish, if you don't have anything to add to what you already sent me, just let me know.

Thanks! If you have any questions, feel free to call.
